

Our Kids are getting excited for summer vacation and Christmas! We are focusing on building life skills this break with field trips , games that will teach about shopping in markets , making change, learning about budgets, taking buses, looking for jobs, practicing interviewing skills, staying healthy and looking for one. These are just some of the lessons we hope to teach. Pray that we can prepare our kids better as we get ready to launch them into the world.

PLEASE CONTINUED PRAYERS FOR MORE PERMANT STAFF

For unto us a child is born,  
unto us a son is given, and  
the government shall be  
upon his shoulder. And his  
name shall be called

**Wonderful, Counselor**

**The Mighty God**

**The Everlasting Father,**

**The Prince of Peace**

**GRACIAS Tia JANICE EPP from Nebraska!!**

In November our staff had 4 great workshops from Tia Jenice Epp . We learned so much about Autism, Hysteria, A.D.D., and Bi-Polar disorder.

Janice is a wealth of knowledge and has a gift for teaching these difficult subjects . Thanks to Janice we have been able to learn and grow as a team.

All kids love to play in water and ours are no different.

In Bolivia school s are closed on the "day of the student". Our kids had a blast on their (paseo) or outing ,to the river for a lovely picnic.
